

SATYAM JHA

lalru , punjab | +918360199926 | satyamjha969@gmail.com

As a goal-oriented developer , I excel in public speaking and problem-solving, ensuring successful project execution through effective collaboration, user-focused design, and solving-real world problems .

EXPERIENCE

Feb 2024 – Present

Developer and Coordinator | Major College project (PGGC 11) | Chandigarh

Collaborated with a partner and cross-functional teams to deliver high-quality software, integrated APIs, wrote unit tests, optimized applications, developed user-friendly forms, managed projects, and authored code in Python (Django) and JavaScript .

Jun 2023 – Dec 2023

Front- end dev | Personal Project | Chandigarh

Demonstrated a proven ability to learn quickly and adapt to new situations while utilizing HTML, CSS, and JavaScript for development, and Java for implementing notes within the website to enhance user functionality..
